International Passengers: Due to government requirements, passengers must be checked in and issued a boarding pass no later than 60 minutes prior to scheduled departure. Passengers who attempt to check in less than 60 minutes prior to departure cannot be accepted for travel. Check-in opens 3 hours prior to scheduled departure and closes 1 hour prior to scheduled departure. Changes may be made based on the applicable Fare Rules and Terms and Conditions by using our Manage Your Trip feature. Passengers embarking upon a journey involving an ultimate destination or a stop in a country other than the country of departure are advised that the provisions of an international treaty (the Warsaw Convention, the 1999 Montreal Convention, or other treaty), as well as a carrier's own contract of carriage or tariff provisions, may be applicable to their entire journey, including any portion entirely within the countries of departure and destination. The applicable treaty governs and may limit the liability of carriers to passengers for death or personal injury, destruction or loss of, or damage to, baggage, and for delay of passengers and baggage. Additional protection can usually be obtained by purchasing insurance from a private company. Such insurance is not affected by any limitation of the carrier's liability under an international treaty. For further information please consult your airline or insurance company representative.
